

Saturday Sale, Oct. 24

It's another lot of desirable stuff that the manufacturers had and we took it all at a great deal less than regular price, and then we cut the profit way down to the smallest bit. That's the way Fitts' bargains are made, and that's how they have won for themselves an enviable reputation throughout this vicinity. In other words, they are just as advertised.

One hundred Best Mercerized Petticoats, with ruffled and plaited flounces, worth \$1.25. Saturday's price, 98c.

Five dozen White Cheviot Waists with black dots. Are as good as the Waists that sell for \$1.00. Sizes 32, 34, 36 and 38. Saturday's price, 59c. Why not everyone have a Waist?

HOMER FITTS

"Queen Quality" Fit and Wear!

There are some things which can't be improved. One of these things is the "Queen Quality" Shoe for Women. It is mechanically perfect. The fact that hundreds of thousands of women choose it in preference to any other higher priced Shoe is proof positive that it is more attractive. Try on a pair next time you are in our store. It costs nothing to see a good fit. A complete stock just in.

\$3.00 and \$3.50

Fall and Winter Overcoats

Now on Exhibition at the Union Clothing Company's Store!

We are ready to show to the public our large line of Men's, Boys' and Children's Overcoats, which, for price and quality, defy competition. Customers will find in our assortment the different lengths and cuts in this Fall and Winter's fashions and the largest variety in cloth and material—Blue, Black and Brown Kersey, Grey Oxford in varied shades, Dark and Grey Plaids, Black Irish Frieze, etc. Our prices range from \$5.00 to \$16.50 and the full value is warranted on each Overcoat.

We have also received all our stock in Boys' and Children's Overcoats and Reefers and you will find here a large line to select from. We have Grey, Blue and Fancy Plaid Overcoats, and Blue Chinchilla, Black, Fancy Royal Blue and Grey Reefers. Prices to suit all. An early inspection of our Fall and Winter Clothing for Men and Boys will prove to you that it is to your advantage to do your trading with us.

SIMPLY BREATHE IT.

A Few Minutes' Use of Hyomei Four Times a Day Cures Catarrh.

The pleasantest, most convenient and the only scientific method for the treatment and cure of catarrh is Hyomei. Simply put twenty drops of Hyomei in the inhaler that comes with every package and then breathe it for a few minutes four times a day.

It seems remarkable that so simple a way of treating catarrh will effect a cure, but the most important discoveries of science have always been the simplest. By breathing Hyomei in this way every particle of air that enters the air passages of the throat and head goes into the lungs is charged with a healing balsam that kills the germs and bacilli of catarrh and soothes and allays all irritation.

The first day's use of Hyomei will show a decided improvement and in a short time there will be no further trouble from catarrh. Its action is rapid and lasting. You take no risk in buying Hyomei. A complete outfit costs \$1.00, and if after using you can say that it has not helped you Rickett & Wells will return your money. What other treatment for catarrh is sold under a guarantee like this?

Pin-cushions to be trimmed. Prices, 8c, 10c, 15c, 20c and 25c each. Colors, blue, pink, red, yellow and green. Veale & Knight.

FOR SALE

The Granite Manufacturing Plant lately occupied by Chas. H. More & Co. in Montpelier, Vt.

The plant consists of about four acres of land and buildings thereon, cutting shed, 300 feet by 40 feet, stock shed, 143 feet by 40 feet and side wings, all under one roof, forming a straight shed 443 feet long inside measurement; also an ell for a blacksmith's shop, 84 feet by 17 1-2 feet inside, containing five forges; also another ell, 85 feet by 65 feet, containing polishing mill and engine room, separated by partitions. Polishing mill contains seven polishing wheels and is 85 feet by 35 1-2 feet. Engine room is 62 feet by 29 feet and contains a 150 horse power boiler in first-class condition, one air compressor, one engine; also machinery for driving rapid saw, the foundation and saw being just outside in the stock shed.

The shed contains the following machinery and tools: Lane Manufacturing Co. 20-ton traveling derrick, two large pneumatic stone-dressers, a lot of pneumatic hand tools, chains, cutters and blacksmith tools—in fact all equipped and ready to start up, with about five gangs of men. Cutting shed and ell are heated with Sturtevant's hot air system. Spur tracks of Central Vermont and Montpelier & Wells River Railroad enter the sheds.

For further particulars inquire at FIRST NATIONAL BANK, Montpelier, Vt.
